MEMORANDUM FOR: Director of Personnel

ATTENTION : Chief, Military Personnel Division, OP

THROUGH : Assistant to DD/I (Administration)

FROM : Assistant Director for Research and Reports

SUBJECT : Forecast of Military Personnel Requirements for FY 1958

1. In accordance with your memorandum of 1 December 1956, you will find attached a listing providing the forecasted Military Personnel Requirements for OMR during FY 1958. This listing revises the Military Personnel Requirements that now exist for FY 1957, and reflects a reduction in Military Personnel positions assigned to OMR from thirteen (13) to seven (7) as a result of the DD/I ceiling reduction.

2. This listing designates, in accordance with your request, the parent service, officer requirements, and required commissioned grades. It should be noted that all positions are reimbursable and should be designated as Departmental.

3. Also attached is a listing of officers assigned to OMR military positions which were deleted as a result of the recent ceiling reduction. The DD/I has requested, however, that those officers affected by the ceiling reduction be permitted to serve their tour with OMR on an overencumbrance basis, and further that officers already requisitioned be permitted to enter on duty with the Agency and serve their normal tour.
